

*During 60 months, Saint Matthew's staff of ministers and Bible teachers traveled across America from some of the smallest to the largest cities, preaching, teaching, singing and worshipping with our faithful members, some who have been with Saint Matthew's for more than fifty years. This is a list of one-hundred-and-two cities, nationwide, where our staff met with Saint Matthew's church members, and dear friends. We enjoyed seeing each of their precious faces, and look forward to seeing all of our members again soon. As we visit each of the parishes, we count on your prayers for this international ministry of Saint Matthews.*
